# BUILDER GEL ESTRUCTURADOR EN GEL

## POLYMIA™ BUILDER GEL ESTRUCTURADOR EN GEL 56 pcs/case

• Polymia is an odorless nail enhancement product that can be applied over natural nails or can be used to sculpt nails with tips or Nail Forms. It is stronger than acrylic yet light as gel. Prepare the nail following the same prep procedure for any artificial system. Apply the product on the nail with a spatula until you reach the desired shape and thickness. Manipulate product with a brush dipped in Gel Cleanser. Cure under the lamp. File with a Forte Zebra 150/150 or White 100/100. Apply the topcoat of your choice. Clean with Gel Cleanser.

• Es un producto sin olor para alargar la uña. Se puede aplicar sobre uña natural o se puede utilizar para esculpir uñas con tips o con formas esculturales. Es más fuerte que el acrílico, pero ligero como el gel. Indicaciones: Preparar la uña siguiendo el mismo procedimiento de cualquier sistema artificial. Aplicar el producto con una espátula hasta alcanzar la forma y grosor deseado. Manipularlo con un pincel humedecido con Gel Cleanser. Curar bajo la lámpara. Limar con una lima Forte Zebra 150/150 o White 100/100. Aplicar el sellador de su elección. Limpiar con Gel Cleanser.

## BIOBUILDER GEL™ ESTRUCTURADOR EN GEL 6 pcs/inner, 288 pcs/case

• This structuring gel is easy to apply. Its consistency is ideal to make nail extensions using sculptural nail forms. It can also be used over tips and natural nails. It has the same adherence and consistency as the Mia Secret gels collection. Before its application, the nail must be prepared with Nail Prep, Xtrabond and a gel base such as Luxury or any other UV/LED gel base. You can choose from clear, perfect pink, frosted pink, cover nude and white.

• El gel estructurador es de fácil aplicación. Su consistencia es idónea para realizar extensiones de uñas con moldes esculturales. También puede utilizarse sobre tips y sobre uñas naturales. Tiene la misma adherencia y resistencia que la colección de geles Mia Secret. Previo a su aplicación, debe prepararse la uña natural con Nail Prep, Xtrabond y una base en gel como el Luxury u otra base en gel.

## DOUBLE BOND BASE COAT

### BASE DE UÑAS DE LARGA DURACIÓN

(1/2 oz) 6 pcs/inner, 288 pcs/case

- LONG LASTING DOUBLE BOND BASE COAT is brand-new in the market. It is a hybrid formula with extra bonding properties on both sides, providing adhesion between the nail and the nail polish as a "double tape" function. This base coat doesn't need a UV/LED lamp to dry. Its long-lasting performance can last up to 12 to 15 days. For regular nail polishes only.

- BASE DE UÑAS DE LARGA DURACIÓN es una base protectora para esmalte regular, innovadora en el mercado. Es una fórmula híbrida con propiedades adherentes en ambos lados; la cual provee adhesión entre la uña y el esmalte, creando un efecto velcro. Esta base no necesita lámpara UV/LED. De larga duración, de hasta 12 a 15 días. Para uso exclusivo con esmaltes regulares.

### ELASTIC WAX

- Non-strip wax is specially formulated with Titanium Dioxide to ensure a gentle but firm hair removal of coarse/resistant hair. Fortified with organic olive oil and shea butter, to moisturize, soften and protect skin. The Titanium Dioxide adheres to the hair not to the skin, for a silky smooth Brazilian hair removal experience. Recommended for sensitive areas of the body such as underarms and bikini area.

- La cera brasileña no requiere de tiras para depilación. Está especialmente formulada con Dióxido de Titanio para una depilación suave pero firme del vello grueso/resistente. Fortificado con aceite de oliva orgánico y manteca de karité, para humectar, suavizar y proteger la piel. El Dióxido de Titanio se adhiere al vello no a la piel, lo cual proporciona una experiencia de depilación brasileña suave y sedosa. Recomendado para áreas sensibles del cuerpo como las axilas y el área del bikini.

## ROLL-ON WAX CERA ROLL-ON PARA DEPILACIÓN

The roll-on waxes are designed for professionals looking for outstanding results. The roll-on wax can be used at higher temperatures than low melting waxes, allowing it to spread much thinner. Therefore, the wax cools almost immediately, diminishing the burning sensation. The wax is easily removed using waxing strips.

Variety: Natural - Transparent, fully texture. Ideal for heavy-duty hair removal.  
 Rose - Creamy, elastic texture for a flawless removal. All hair types.  
 Cocoa - Creamy, rich chocolate aroma for a gentle waxing. All hair types.  
 Aloe Vera - Rich texture, helps adhesion. Designed for a gentle removal. Ideal for sensitive skin.  
 Benefits: • Hygienic • No burning sensation • Fast • Effective • Practical • Long-lasting

Las ceras roll-on están diseñadas por profesionales que buscan los mejores resultados. Se puede utilizar a temperaturas más altas que las ceras de calentamiento lento, lo que permite que se aplique en una capa mucho más delgada. Por lo tanto, la cera se enfría casi de inmediato, disminuyendo la sensación de ardor. La cera se elimina fácilmente con tiras para depilación.

Varietad: Natural - Transparente, de textura densa. Ideal para depilación del vello resistente.  
 Rosa - Textura cremosa y elástica para una depilación impecable. Para todo tipo de vello.  
 Cacao - Textura cremosa con rico aroma a chocolate para una depilación suave. Para todo tipo de vello.  
 Aloe Vera - Textura densa, de fácil adherencia. Diseñada para una depilación suave. Ideal para piel sensible.  
 Beneficios: • Higiénica • Sin sensación de ardor • Rápida • Eficaz • Práctica • Duradero
